A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field. (It is often called a style sheet, though that term has other meanings.) A style guide establishes and enforces style to improve communication. To do that, it ensures consistency within a document and across multiple ...

Singular they is the use in English of the pronoun they or its inflected or derivative forms, them, their, theirs, and themselves (or themselves), as an epicene (gender-neutral) singular pronoun. It typically occurs with an antecedent of indeterminate gender, as in sentences such as: "Somebody left their umbrella in the office. Would they please collect it?" "The patient should be told at the ...

When you search for information, you're going to find lots of it . . . but is it good information? You will have to determine that for yourself, and the CRAAP Test can help. The CRAAP Test is a list of questions to help you evaluate the information you find.

Evaluating Information – Applying the CRAAP Test

Taking your examples first, I think the short answer is that: You could listen to the radio emphasizes that this is a suggestion or piece of advice, whereas You can listen to the radio emphasizes simply that this is an option that's available. You could listen to the radio contains more personal involvement and subjectivity; You can listen to the radio is more strictly factual and objective.
