First and foremost I want to say that I love Greg Capullo's work so this low rated review is not a knock against the man it is a knock against whomever put this book together, which is a real shame as I was excited to get this book. Mr. Capullo is a master at his craft when it comes to sequential art.

Amazon.com: Customer reviews: The Art of Greg Capullo

I don't consider Capullo, yet to rival Jim Lee in terms of art market value pricing, but different strokes for different folks. Capullo may be the ultimate businessman and marketing genius by limiting the supply and controlling the inventory and pricing it to the level he wants to cultivate the ongoing values at.
