For the most part, make sure you never try to just answer the questions from this first flyover. Always try to go back and confirm the answer, as your memory will play tricks on you and the writers of

### Accuplacer Test Study Guide

Yes–no questions are formed in various ways in various languages. In English, a special word order (verb–subject–object) is used to form yes–no questions. In the Greenlandic language, yes–no questions are formed with a special verb morphology. In Latin, yes–no questions are indicated by the addition of a special grammatical particle or an enclitic.
